

Jennifer Norback

fine art

Jennifer Norback Fine Art specializes in representing international artists who recognize the long tradition of humanism in art. Our artists cover a wide berth of mediums and range from internationally renowned masters to up-and-coming visionaries and are always making an impact in the world. See what just a few of our artists are up to this month.

Jean-Christophe Ballot, **Douglas Stapleton**, and **Vivian van Blerk** will be among the artists representing Jennifer Norback Fine Art and Chris Boïcos Fine Art at **fotofever 2015**. The international photography exhibition will show from November 13 through 15 at **Carrousel du Louvre** in Paris.

Jennifer Norback Fine Art is one of the premier galleries located in Chicago's River North arts district. Founded in 2008, JNFA specializes in representing international artists with a focus on contemporary art that recognizes the long humanist tradition of art, but is also responsive to the contemporary world. JNFA believes in creating a genuine, interactive experience for its visitors and does so through regular exhibitions, workshops, tours, lectures, musical performances, and more.
